I It is with great honor that we write this letter on behalf of Mr. Doanld Arthur. He is truly an inspiration to our students. Every semester, he takes time out of his busy schedule to speak to our students about the importance or organ donations.

The students are very moved by his personal triumphs. He is compassionate and knowledgeable.

It has been a great privilege to have been associated with Mr. Arthur for the past 8 years and we look forward to many more years of affiliation with this remarkable individual.
